

WAS DARWIN RIGHT?

***Come along and have your thinking
challenged about the relevance of creation
and the theory of evolution in modern science***

**7.00 pm Saturday 20th
February 2010**

Speakers:

Richard Broadberry FIMLS, biomedical scientist

Kevin Tuck FRES FLS, biologist

The speakers have a number of interests in biblical and science matters and this will be reflected in a wide range of thought-provoking material.

**Billinge Family Church, 31 Crank
Road, Billinge, Wigan, WN5 7DT**
